

VIDANT EDGECOMBE HOSPITAL Development Council

THANK YOU!

Throughout 2020, community members and local businesses provided meals, PPE and other supplies to help us through COVID-19.

Vidant Edgecombe Hospital experienced many challenges during 2020, with the biggest being COVID-19, which brought many hardship to our patients, team members and community. Our physicians, nurses, respiratory therapists, nursing assistants, housekeepers, nutrition staff, police, administration and many more worked night and day caring for those who have suffered with the virus.

Through the hardships, our community strived to show their love and support. Many local businesses and individuals such as Lowes of Tarboro, Edgecombe Community College, TES, Norris Tolson, and many others donated gloves, masks, gowns, shoe covers, cleaning supplies and other PPE to our hospital. Food donations were also given by Barnhill Contracting, HWY 55, Greg Sessoms, Todd Gurley, Zaxby's of Rocky Mount, Pepsi, Providence Bank, La Rancherita, Dominos, Krispy Kreme, The Vidant Edgecombe Hospital Volunteer Auxiliary and many more. We also received a large number of donations provided to us from the Vidant Health Foundation office. The outpouring of love shown to our hospital by the community has been truly amazing.

The Tarboro Police Department, Edgecombe County Sheriff's Department, Tarboro Fire Department and Edgecombe County EMS also showed their appreciation by hosting a prayer and procession outside the hospital to honor our healthcare workers. Team members enjoyed the lights and sirens as our front line community workers showed their appreciation and respect for those who come to work every day to take care of others. The display will be remembered for years to come. (Con't on page 2.)

Doug Henry of Tarboro, Clayton of Nashville and Edgecombe Health and Rehab made monetary contributions to Vidant Cancer Care-Edgecombe. Local churches and women's groups donated blankets, hats, scarves, wigs and other items to patients who receive their treatment at Vidant Cancer Care-Edgecombe.

Although we were unable to host a gala in 2020, our hospital was truly blessed with the outpouring of love and appreciation from our community and friends. Our team members are extremely grateful, and we look forward to working together for the betterment of our community in 2021.

Members of the Vidant Edgecombe Hospital Development Council include: Kenny Parker, chair; Billy Barnes; Linda Beaman; Barry Bunn, M.D.; Tiffany Cayton; Marlou Coker; Shirley Fisher; Bill Goode; John Rosal; Quandail Schenall; Doris Stith; Dr. Jennifer Taylor
