

Roanoke-Chowan  
Foundation

The mission of the Roanoke-Chowan Foundation since inception has been to assist to improve the health, wellness and general well-being of all people living in the region. If 2020 has taught us anything – especially regarding the Covid – 19 pandemic, it is that we are in this together. We still have a ways to go, yet there is much to be thankful for – our healthcare heroes are on the frontline giving their all to those affected by the pandemic.

Another lesson that has emerged stronger than ever is how fortunate we are to have Vidant Roanoke-Chowan Hospital, the Roanoke-Chowan Foundation along with the community's support from individuals, businesses and organizations coming together during this health crisis to provide resources, support and hope for the Healthcare Heroes.

Community support for Vidant Roanoke-Chowan Hospital has been strong since 1948 when the hospital opened its doors. As the Covid – 19 Pandemic hit the World, United States, North Carolina and our local rural four- county area the hospital serves, it was no surprise that our community once again came forward with messages, donations and gifts to support our Vidant Roanoke-Chowan Team Heroes. We appreciate the many donors who stepped up giving powerful hope and support to these frontline workers.

Yes, we are all in this together. (Con't on page 2.)

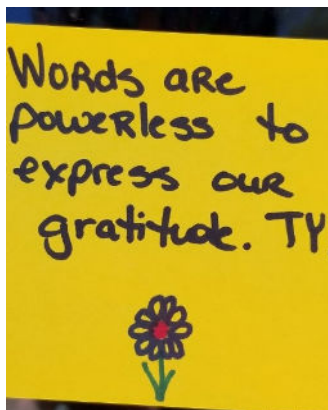

One such manager, Wendy Ruffin-Barnes, local manager of State Farm in Ahoskie answered the call by contacting Roanoke-Chowan Foundation with her wish to make a donation to support Vidant Roanoke-Chowan Hospital team member heroes. Ruffin – Barnes shared that her personal desire was due to her closeness to the Vidant Roanoke-Chowan Hospital through the years - providing care since her birth at the hospital and also at the birth of her daughter. She speaks highly of the services the hospital provides and wishes to continue to promote the quality healthcare for the area citizens. She also wishes to make every effort to keep Vidant Roanoke-Chowan Hospital's presence here in this region.

Yes, we are all in this together.

We are full of gratitude for everyone in our Roanoke-Chowan area who has provided hope and encouragement during 2020. For all your efforts, we are so thankful. Thanks for being on this Journey with us.

Members of the Roanoke-Chowan Foundation board include: James W. Mason, chair; Linda Alexander; J. S. Almario; M. D.; Michael C. Alston, M. D.; Ernest R. Carter, Jr.; Ernest L. Evans; Judge Cy A. Grant; Reba Green-Holley; Charles W. Hughes, Jr.; Charles L. Revelle, III; Carl D. Taylor; Sandra E. Woodard.
