Description of Community Benefits Program:

University Health Systems of Eastern Carolina Foundation, Inc. (DBA Vidant Health Foundation) is committed to improving the health and well-being of the people and communities of Eastern North Carolina. The mission is to support the Vidant Health mission to improve the health and well-being of eastern North Carolina through advocacy and securing philanthropic resources.

The Foundation is a North Carolina non-profit corporation with headquarters in Greenville, North Carolina. 1. These grants support health initiatives through local community organizations. Generally, two to three focus areas have been selected for each program from the following list including: access to care, chronic disease prevention and management, nutrition and physical activity, diabetes prevention and management, and maternal and child health. The grants program's health priorities are determined by information obtained from the Community Health Needs Assessment (CHNA). Each Vidant Health Hospital collaborates with their local health department to conduct the CHNA. Volunteers from their local Healthy Carolinians partnership or other health collaborative assist in the process of gathering information for the CHNA.

2. The populations served are largely the poor, the under-served, and minorities. Determination of specific populations to address occurs when partners such as the North Carolina Department of Health and Human Services, local health departments, county Healthy Carolinian task forces, or physicians identify a quantifiable need, and community partners are engaged to work together with the health system.

Other Program Services:

Other programs resulted in distribution of approximately \$9.5 million from designated gifts and contributions for children's services, hospice services, scholarships, and other designated programs. The sources of these funds include contributions from donors across Eastern North Carolina, investment earnings from endowed funds and the Annual Children's Miracle Network Program.
